# Electrical & Electronic Eng

The diagram illustrates the structure of an Electrical & Electronic Engineering degree, organized into four levels of modules.

**Level 1 Modules**

- Engineering Mathematics
- Engineering Computing

**Level 2 Modules**

- Engineering Mathematics 2
- Engineering Computing 2
- Engineering Fundamentals 1
- Engineering Fundamentals 2

**Level 3 Modules**

- Engineering Fundamentals 3
- Engineering Fundamentals 4
- Engineering Fundamentals 5
- Engineering Mathematics 3
- Engineering Computing 3

**Level 4 Modules**

- EEN40170
- EEN40220
- EEN40240

# Chem & Bioprocess Engineering
